COVID 19 VESSEL SCREENING QUESTIONNAIRE

CAPTAINS NAME (Printed) :	
VESSEL NAME :	
DATE :	Signature :

This questionnaire is to be filled out, signed and returned to the HNSITT before the first day of fishing commences. This screening form is to help reduce the risk of spreading the virus and provide the HNSITT with contact tracing information per vessel. Please check the boxes that are most applicable to your current situation and have ALL crew members sign the form which will indicate their responses are the same. The vessel captain is responsible for the safety of all crew members in this regard, the HNSITT takes no liability of the COVID-19 risks involved.

Please answer the following questions below : YES or NO	YES	NO
1. Have you travelled outside of Canada within the last 14 days?		
2. Has anyone you have been in contact with been outside of Canada within the last 14 days?		
3. Do you have two or more of the following symptoms (new or worsening): fever, cough, sore throat and runny nose?		
4. Have you been in contact with anyone over the past 14 days who has exhibited symptoms of COVID-19?		
If you answered yes to any of these questions, please provide more details (What? Who? When? How? Why?):
